"When we invest in our community, we plant seeds that grow far beyond ourselves."

To Adams County Community Foundation (ACCF) supporters,

In Indiana, Adams County is alphabetically #1, but we in Adams County think there's more to being #1 than our letter in the alphabet.

A

You might be a life-long resident of Adams County or a recent addition to our community, we think you'll agree…Adams County is a great place to call home.

A+ However, we believe it can be even better. That's why each day ACCF works to find ways to improve our little dot in the world. It may be that we need to create a program to meet health needs or make a grant to fund important community projects. Other times our work involves partnering with donors to help them meet their charitable goals.

A++ ACCF provides scholarships to offset the cost of education, grants to boost a program or project with a local nonprofit, while ACCF, Angel funds provide direct assistance when an illness or injury blindsides a loved one. Join us to serve more.

The ACCF staff and Board of Directors see and hear stories that inspire us to continue our good work…and you can help. In these next few pages, you will find (and likely recognize) the many former and current Board members that have made ACCF their destination to fulfill their inspiration of giving (pages 5 and 7). They trust the ACCF will follow their wishes and interests.

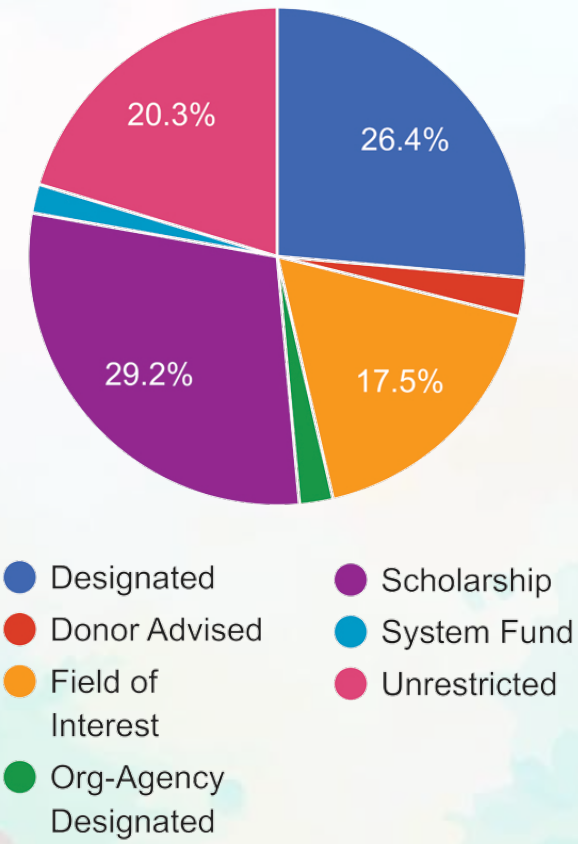

With the ACCF 2 for 1 match, you can join this movement to provide support for Adams County residents and raise our standing to A+++.

Call or stop by to learn more or ask any of our trusted, involved volunteers or staff (page 4).

Together we can keep Adams County in our number one position. Thank you for your support.

ACCF New Funds

Richard D. and Carolyn S. Briggs Scholarship (Est. 2026)

Richard fondly recalls his father, Jim Briggs was strongly supportive of the Adams County Community Foundation (ACCF). When Jim became involved in 1990's, he was one of the first contributors to the ACCF. With Jim's support and the watchful eye of many Board members and thousands of contributors, the ACCF grew from $500,000 (in 1998) to $35+M (current, 2026). Richard was employed by the Bank of Geneva for 40 years, and Carolyn was employed by BiCounty Services as a speech and hearing therapist for Adams Central and North Adams for 25 years. They wanted to support students that would plan to major in the speech, hearing, or physical therapy.

Sara Briggs Heritage Community Enrichment (Est. 2026)

Sara Lou Briggs, 97, was well known in Geneva for her generous efforts to support those less fortunate. A graduate of Jefferson High School in Adams Co. She furthered her education at Stephen College in Columbia, MO and received her degree in education from Michigan State. She taught English at Bryant High School, Geneva High School and later at South Adams High School. Sara was a devoted teacher, music & theater supporter. Always the educator and avid reader, for many decades Sara Lou collected and delivered countless books and Encyclopedias to the 50+ Amish schools in Adams County.

Greg Fleming Family Donor-Advised (Est. 2026)

Greg graduated from Bellmont and Tri-State University with a degree in Civil Engineering. Greg has a genuine interest in the local recreational and historical facilities. Greg, President of Fleming Excavating, married Barb (Hirschy) Fleming in 2007, and together they are known for their support to restore local historical buildings. In addition to growing the family business, Greg has served on several local boards (to include but not limited to) ACCF Board of Directors, Grant Committee, Board of the Zion Lutheran Church (Decatur), the First Merchant's Bank Board of Directors, and the Boys and Girls Club of Adams County.

Karen and Jeff Soldner Scholarship (Est. 2026)

Karen and Jeff Soldner both grew up in the Adams County area. Karen graduated from Bellmont and spent over 35 years as an ICU nurse with Lutheran Hospital. Jeff graduated from Adams Central and became a pilot with the 122nd Fighter Wing and retired after a 39-year career. They have two daughters and one son between them with seven grandchildren. They would like to see their scholarship fund help students from both AC and Bellmont pursuing careers in the Health Care professions or the construction trades.

Sharon Sprunger-Wulliman Nursing Scholarship (Est. 2026)

Sharon Sprunger-Wulliman reports that after working as nurse for 40 years in a career she loved, she wanted to establish a scholarship fund to help others who desired this satisfying professional. When Sharon started her nursing education, certain hospitals had their individual school of nursing. Sharon attended daily classes for three years. Working seven days a week with one weekend a month off, students would have blended days of 'in the classroom' and 'on the floor'. After one year, the students earned their caps and upon completion of training and education, they earned their nusing pins. Required with their nursing uniforms, the nurse's cap and pin were worn with exceptional pride.

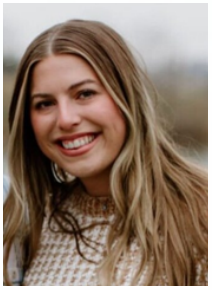

St. George Church Nontraditional Student Scholarship (Est. 2026)
St. George Church Angel, Parkinsons (In memory of David Lengerich) (Est. 2026)

St. George Episcopal Church was formed in 1981 by a small group of people meeting at Hendricks Street in Berne. With dwindling attendance, the doors closed November 15, 2025. The parishioners opted to use the remaining amount in their bank account to provide financial support to area charitable organizations.
In particular:

- St. George Episcopal Church, Nontraditional Student Scholarship Fund
- Angel, Parkinsons Fund (In memory of David Lengerich)
- Angel, Alzheimer's Fund (In memory of Diane Gorkiewicz)

The community is grateful for this support.

Madi, 25, graduated from South Adams School in 2018. Madi loved volleyball and continued playing at Purdue, Fort Wayne, and graduated in 2024. What type of Fund at the Adams County Community Foundation is Right For You?

The ACCF offers several options for charitable giving. Some families like to be anonymous, some like to have a loved one remembered. Some like the idea of a scholarship to a promising student while others wish to see a grant to a nonprofit that makes an impact in our community. Whatever the charitable gifting you wish to experience, the ACCF can guide you to fulfill your intentions. Call the ACCF for a no obligation appointment. Within 30 minutes you will know where your gift can make the greatest difference. A brief overview of the fund options are:

Endowed Fund: For GOOD, For **EVER**.

Endowed Funds are forever-giving funds. The money comes into the ACCF and stays with the ACCF forever. This money is invested (60% stocks / 40% bonds with 10% variance). A portion (typically 3-4.5%) of the earnings will be used for the distribution.
Fee: This fund experiences a 1% fee. The majority of the ACCF 360+ funds are endowed.

Pass Through Fund: For GOOD, For **A WHILE**.

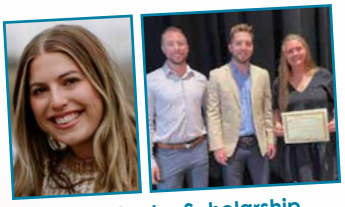

Pass through funds are temporary funds. The money comes into the ACCF and within an agreed amount of time, the fund is spent to zero. This fund experiences a 2% fee.

Legacy Fund: For GOOD, For The **FUTURE**.

This fund is established through the estate planning in the donor's final will. The donor has the option of establishing an endowed or pass through fund. The ACCF may not learn of this bequest until the reading of the donor's will. When possible and with the donor's permission, it is helpful for the ACCF to learn of this directive prior to the maturity of the will, so the donor's wishes and details are followed.
