Authorization

Student signature page/authorization (this page MUST be signed before a scholarship may be awarded)

It is understood that students change their majors. A student who changes their declared major will need to contact the ACCF office as soon as a change has been decided. An example: The Hospital Auxiliary Scholarship is awarded annually to a student majoring in a health care field. Should a student that indicates he/she is majoring in nursing/ pre-med., is awarded the Hospital Auxiliary Scholarship, then changes his/her major to music, then the student will need to surrender that scholarship award.

The provisions of the Family Education Rights and Privacy Act require a school to obtain signed authorization before student information can be released. Permission is hereby given to school officials to release the secondary school record and other requested information to the Adams County Community Foundation for consideration in the Foundation Scholarship program.

Permission is hereby given to the Scholarship Application Review Committee to contact:

- ❖ Listed references, employers, sponsors, coaches, and other organization leaders to verify awards, experiences, and achievements listed herein for the purpose of scholarship award determinations.
- ❖ Local authorities, including staff and/or administrators of my school, as well as area courts, prosecutors, probation department and law enforcement agencies for the purpose of determining whether my behavior has resulted in, or is / was subject to disciplinary action being taken against me.

I specifically authorize the release of information and/or documents by such parties to the Application Review Committee upon its request to allow such information or documentation to be considered in determining scholarship awards (see page X if this describes you)

Possible Narrative:

Have you been subjected to documented disciplinary action at school or been involved in court proceedings or are you currently subject to disciplinary action being taken at school or in court proceedings? (If applicable, please attach this page to the very back of your packet.)

1. If so, briefly explain this incident on a separate piece of paper and attach this page to the very back of your application. The committee will focus on the second paragraph/part of this page:
2. What life-lesson did you learn from this misjudgment?

Note: It is very unlikely this will affect the student's eligibility for any scholarship. More importantly, revealing any 'serious youthful indiscretion of this nature allows the scholarship committees to make insightful decisions.

Why is this question on the application? In the past, the Foundation has been contacted regarding the unfavorable activities of students. The Foundation is aware that this information may or may not be factual, and may become an issue if the committee has not been fully informed.

Frequently Asked Questions

For other questions not listed here, please email: accf@AdamsCountyFoundation.org / or call: (260) 724-3939

Question: Why are there two due dates? When are they?

1. **September 2026:** For the academic school year 2026-2027, the Lilly Endowment Community Scholarship (LECS) will have an earlier due date (as directed by LECS). This year's due date for the LECS is by 4:00 pm, **Wed., September 9, 2026.**
2. **January 2027:** All other ACCF / Adams County Scholarships will have the **Wed., January 20, 2027** due date (before 4:00 pm). The ACCF will maintain two due dates for this academic year. Upon request, the ACCF will visit each high school in August / September to announce these due dates and to answer questions. You may also email the ACCF with your questions. All questions are to be directed to the ACCF. Applicants / parents are not to contact scholarship committee members or scholarship donors.

Question: If I submit my application for the September due date, do I have to fill out the application again for the January due date?

No. The ACCF will hold the September applications for the January due date. However, if a student wishes to update or revise his/her September application for the January review, this is allowable, but the student will need to maintain the due date listed.

Questions: 1. I want to apply for all the scholarships for which I am eligible. Can I put an 'X' for all of the listed scholarships? (and) / 2. Where do I get this Eligibility / Check off form?

Several scholarship committees will review your application. You need to review the eligibility of each scholarship. (Example: Rosanne Miller Memorial is for North Adams students who attended St. Joe School. If your academic history does not fit this description, you are not eligible). Please read the eligibility requirements carefully. Some require additional material to be turned in shortly after the ACCF application has been submitted. Don't forget this supplemental material. (Example: Essay required for Trooper Elson, Officer Wyss, Bryan Miller, Junior Ach., etc).

The *Eligibility / Check-off* form is available at each high school guidance department after **January 1.**

Question: I will not get my most recent SAT/ACT scores back until after the September / January due date. What should I do?

Submit your application on time. When you receive your scores, submit them in writing to the ACCF. **How?** Email this to the accf, include your name, high school, test type, and score. It is not necessary to pay extra to get your test results earlier.

Question: I want to report my GPA scores to the third digit, but the field will not allow this. What should I do?

If your computer / application will not allow this, you may neatly write this digit on the application.

Question: I don't have a major. Is this a problem?

It is important for you to commit ... at least for now. On the *Eligibility / Check-off form*, report your first and second planned major field of study. If possible, list the **school** in which you think you may pursue a degree (example: School of Education, School of Business, School of Agriculture). It is understood this may change, but it is helpful to give the reviewers an idea of your planned major.

Question: I want to put more information in the narrative pages (pp. 4, 5 of the application), but the computer programmed application refuses to allow me to do this. What do I do?

Admittedly, this is a problem for a select few, and it is certainly frustrating and unfair to these students. If you have this problem, the easiest way to approach this is to create your response on a separate Word document (within the areas / words allowable on the application), print it out, and literally cut and paste this onto your original application. The subsequent copies will pick up the information. We apologize, in advance, if you are one of these few.

Question: The application pages, when printed, do not line up like the pages on the computer monitor. What do I do?

This fillable document is set up to agree with PC and MAC. However, some students have reported problems. It is recommended that you print a copy to see if your application and the application on the monitor appear to be the same. If your computer experiences this concern, you may want to handwrite the application and then use a computer at your school that does allow for compatibility. This is another reason a student would want to practice good time management for the completion of this application.

Question: (1) A signature is missing, (2) a narrative has not been addressed, (3) GPA score is missing without explanation (4) anything else ... Will these oversights adversely affect my chances of an award?

- (1) Please consider this an 'agreement'. You must read the agreement pages and sign these (cover page and page 7). If you are under 18, a parent or guardian signature is also needed. If requested, the Foundation reserves the right to share the application with the legal parent who has not signed the application. (2) It is very important to address each of the narratives, even if you write only a sentence or two. (3) GPA scores: Some scholarship committees are guided to review GPA scores. If these are missing, the student would not be eligible for these few scholarships. (4) For the scholarship committees to do their job, it is very important to address each and every component of this application. It is recommended that the student fill out all areas of the application.

Question: I cannot get the application to the ACCF during office hours (M – Th, 8-4 pm / Fri: 8-1). What should I do?

Understanding the due date is important, the Foundation staff will call the Atomic Clock number (724-1234) at 4:00pm to confirm the time. Applications that arrive after this date / time will not be considered for review. Do not miss this due date.

Mail slot: **24/7:** The ACCF, Madison St. Mail slot always available. Students may also have a friend or parent drop off their application.

Question: "I had an accident on the way to the ACCF, on the due date at 3:55pm. My application will be late, will you please take it?"

Yes and No: Late for the Sept due date? We will hold this application for the January scholarship process. Late for the January* due date? Please plan ahead. (Example: A few years ago, in Adams County there was a major ice storm that closed all county schools for several days – the due date week. Some high school guidance departments opened specifically to assist their students who waited until the final few days to collect their letters of recommendation and transcripts. However compelling, we cannot accept a late application. That application is in competition with an application that was submitted days prior to the due date. It is unfair for the ones who planned accordingly. Plan on something going too wrong: cartridge runs out on the last page, electric storm knocks out your power, your computer locks up, your locker is stuck, your application material is inside, etc. Plan on something going too right: your high school has a major competition, and you are on the team, you got an unexpected invitation to a great event, etc. These things happen – don't let it be you. Good Luck!

***The ACCF will hold the Sept. application for the January scholarship cycle. Late January applications will be held for the November cycle.**
