

How to open the 2019 Traditional / Collaborative grant application (PDF)

1. Click on either the '2019 Traditional grant application (fillable document)' or '2019 Collaborative grant application (fillable document)'
This opens the document for you to view.
Save this to your personal device. Each time you revision this, you will need to save under a new title.
2. Click on 'Open with different viewer' at top, right of screen.
3. Select Adobe Acrobat and click on 'ok' to open the fillable document. If your computer is set to automatically select Adobe Acrobat, look in your download folder (arrow in top, right corner) to locate the file. Once the document has been opened in Adobe, you can save it to your personal device and begin to fill it out.

Notes:

- If you have questions, please call or email the ACCF.
