

Renewal Application

If you think you may qualify to use the ACCF renewal application, please contact Deb Cook, ACCF Scholarship Administrator at

scholarships@adamscountyfoundation.org

Deb will research the type of scholarship each student got the previous year to see if that student qualifies to submit a renewal application. If the candidate qualifies, she will send the renewal application.

WHY? The ACCF manages the renewal application in this way as too many candidates have mistakenly submitted a renewal application only to learn too late they did not qualify as a renewal. They were considered ineligible for scholarships that year.

Thank you for your interest in the scholarship opportunities at the Adams County Community Foundation.
